Arcane Works by INEOS is our new division taking our award-winning 4X4 to the next level. By using unique crafted elements and exclusive content, Arcane Works will produce limited runs of vehicles, providing you with a tailored vehicle suited to your individual style.

UNIQUELY YOURS

INTRODUCING THE INEOS GRENADIER DETOUR

ARCANE WORKS

SOMETIMES THE LONGER ROUTE IS WORTH IT

LIMITED EDITION

Say hello to **Arcane Works** first limited-edition series: the **INEOS Grenadier Detour**.

The INEOS Grenadier Detour is engineered in Germany, built in France, and hand-finished in the UK. We work with top UK suppliers like Bridge of Weir and Johnstons of Elgin to ensure the highest quality.

The limited-edition Detour keeps all the rugged capabilities of the Grenadier Station Wagon but adds unique British-designed touches. This vehicle is a special creation by Arcane Works, representing the best of British skill and quality.

INEOS GRENADIER | DETOUR

“WORKING IN SMALL-BATCHES AND HAND FINISHING THE CARS MEANS WE CAN GIVE A LEVEL OF INDIVIDUALITY NOT FOUND IN THE 4X4 MARKET. FOR OUR FIRST LAUNCH, GRENADIER DETOUR FELT LIKE A FITTING NAME AS THE GRENADIER IS FOR PEOPLE WHO ENJOY DRIVING, AND SOMETIMES IT’S WORTH TALKING THE LONGER ROUTE.”

GEORGE RATCLIFFE
COMMERCIAL DIRECTOR

EXTERIOR & INTERIOR

EXTERIOR

Many unique design elements have been applied to the new INEOS Grenadier Detour. Each of these elements are hand applied by top craftspeople in the UK. Distinctive features such as painted forged 18” wheels, new front grille, Arcane Works exhaust system and front bumper embellishments crafted exterior badging from Vaughtons. Founded in 1819, Vaughtons is one of the most prestigious British jewellers.

All features come together to ensure that this vehicle will leave a lasting impression whilst you take your Detour.

Colour option shown is Storm Force Silver with Volcanic Grey contrast pack.

FEATURE
A - 18” Arcane Works Forged Alloy Wheel in Painted Finish
B - Arcane Works and Detour Unique Badging from Vaughtons
C - Clear Plastic Side Indicators, Rear Taillights, Centre High Mounted Stop Lamp

UPPER ENVIRONMENT

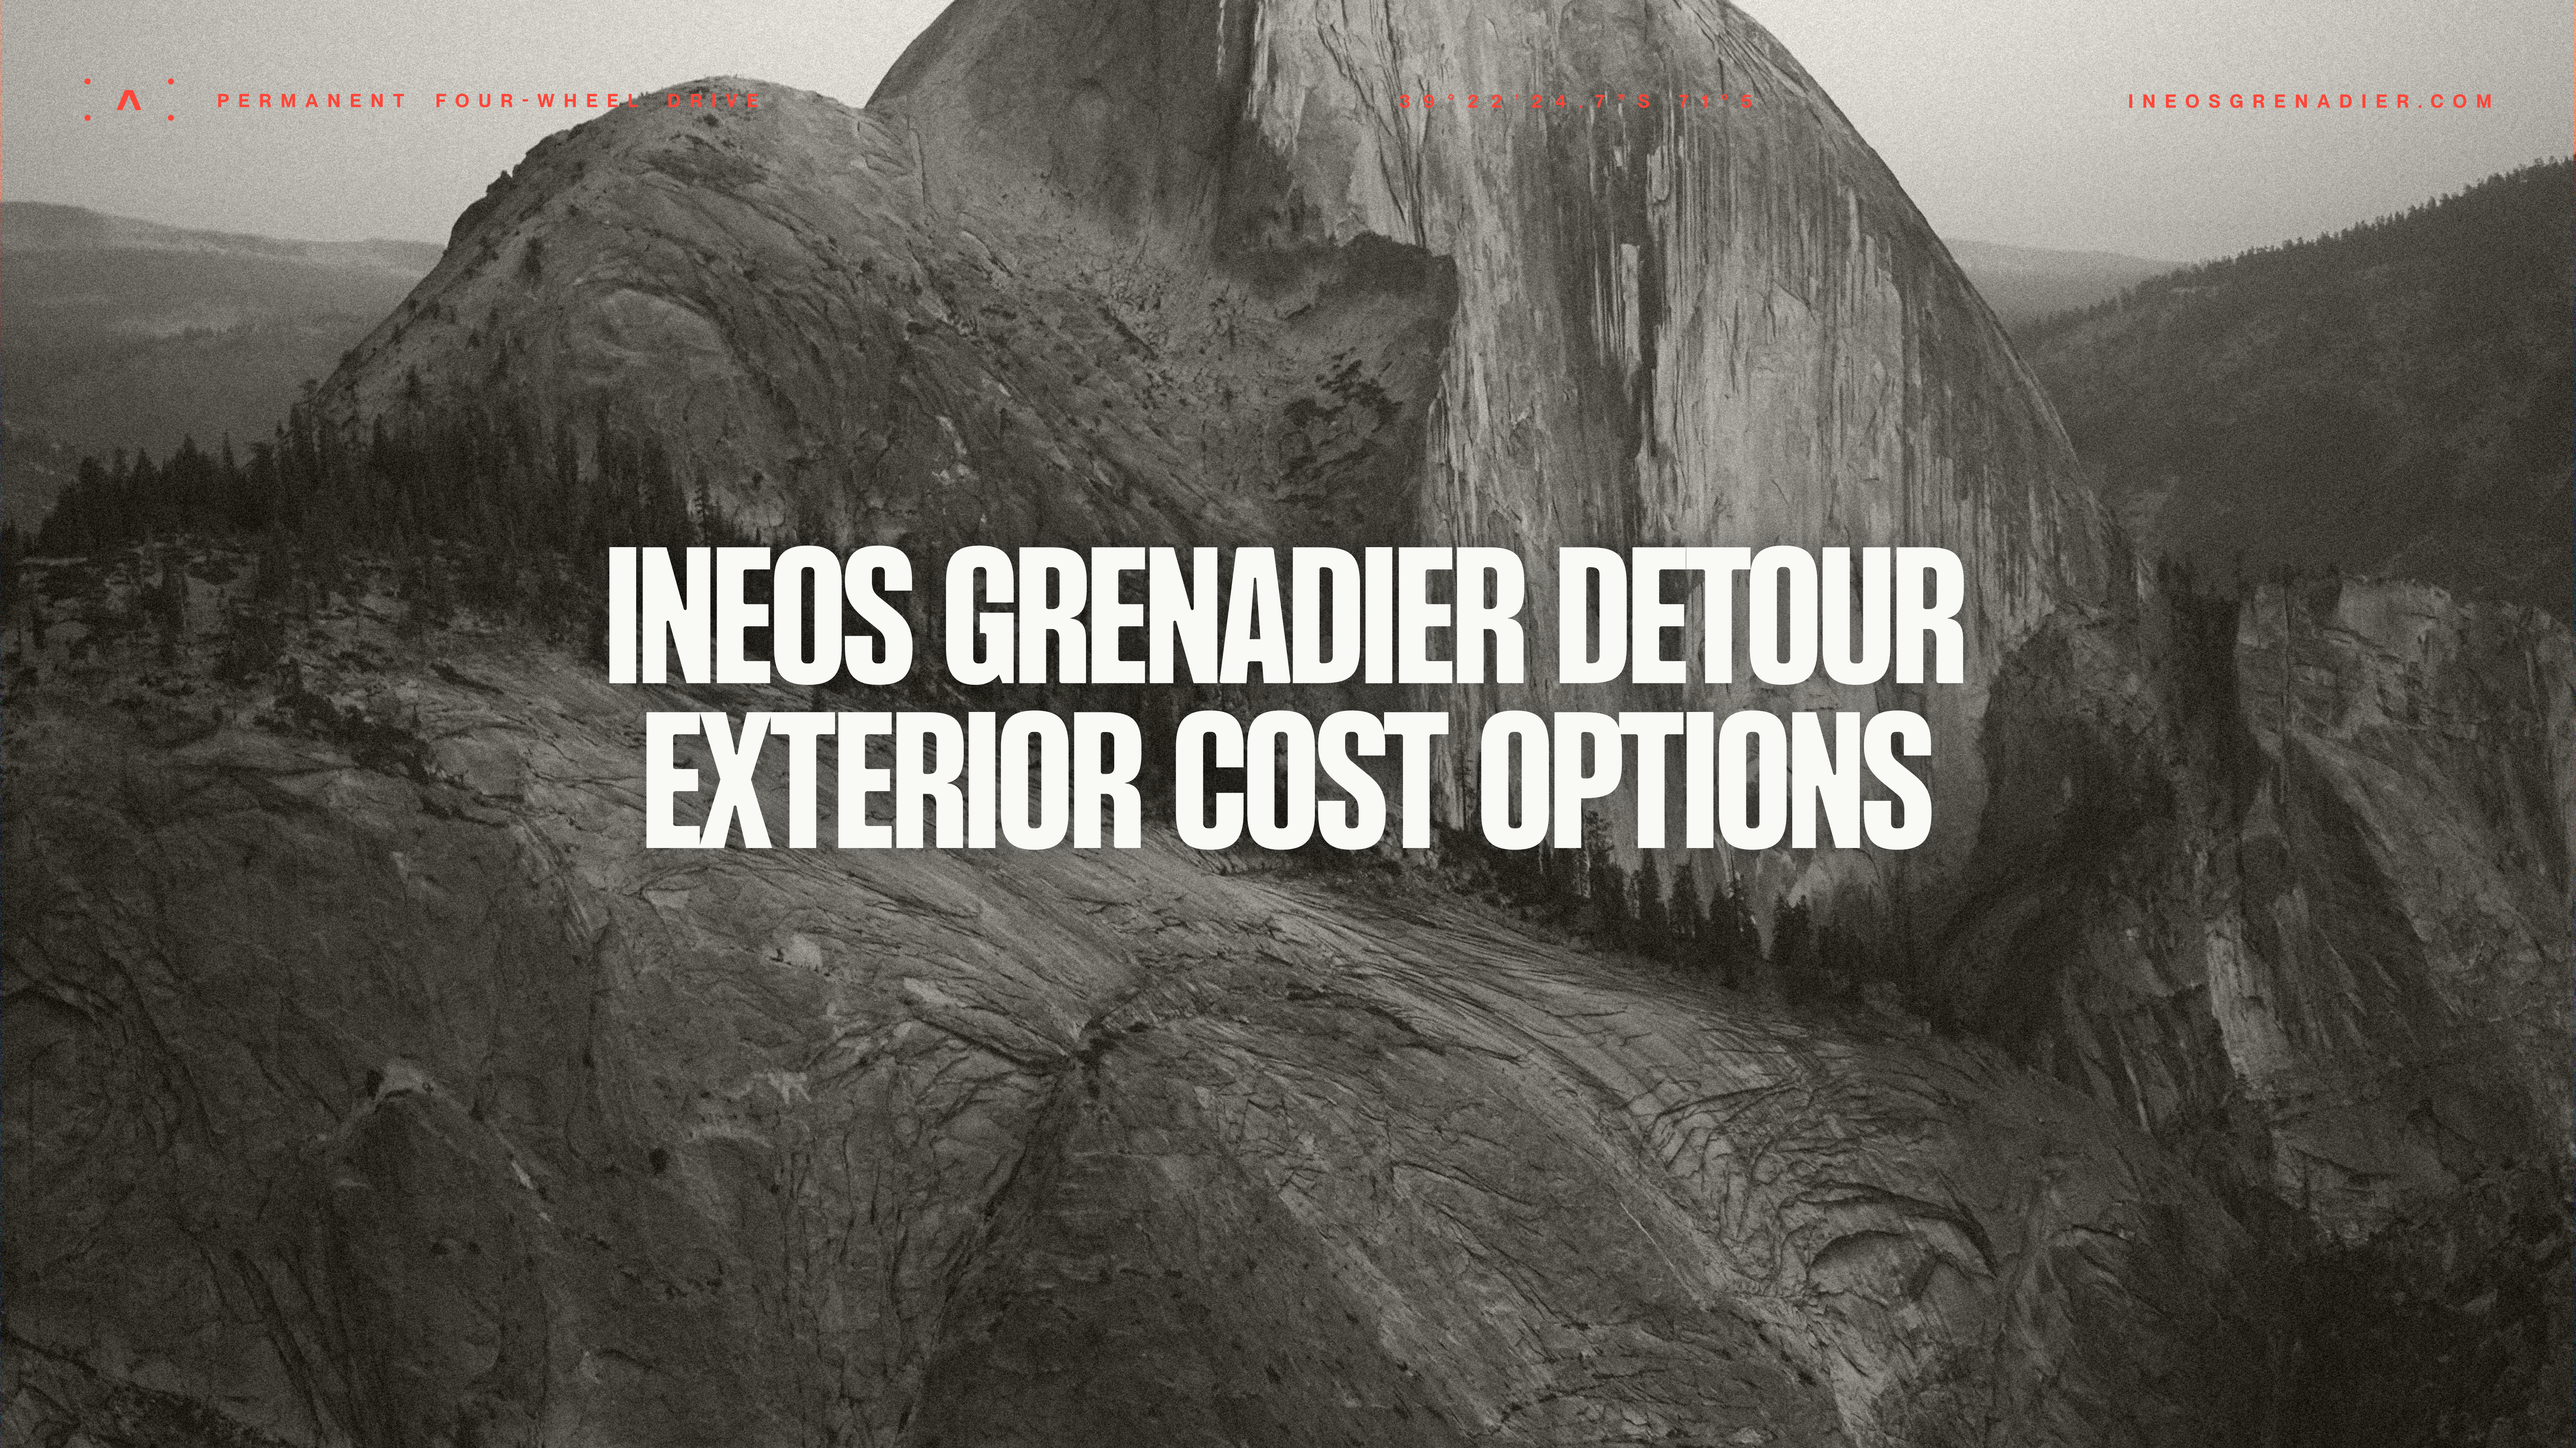

FEATURE	BESPOKE DETAILS
Arcane Works Upper Environment	The very finest cashmere wool from Johnstons of Elgin has been applied to our headliner for the Detour which is available in two colours. This natural and sustainable material contributes to the uniqueness of the Detour and also offers a tactility rarely seen on other vehicles. To match the cashmere details, we have also finished our grab handles and sun visors in fine grain leather from Bridge of Weir. **Johnstons of Elgin** - a luxurious Scottish cashmere maker has worked with natural, renewable, biodegradable fibres since 1797. A Certified B Corporation, its 226-year- old commitment to quality has earned it a Royal Warrant of Appointment to His Majesty The King.

BESPOKE OPTIONS

BESPOKE OPTIONS

FEATURE	BESPOKE DETAILS
Arcane Works Bespoke Paint	For a truly bespoke expression of your individuality, we offer a service that allows you to select a paint colour that inspires you. Provide us with a sample, or match your INEOS Grenadier Detour to the colour of another vehicle in your collection and we will hand-paint your vehicle in the UK to your exact specifications. Each vehicle undergoes a meticulous hand-polishing process, ensuring an exquisite and breathtaking finish.

ARCANE WORKS BESPOKE PAINT

BESPOKE OPTIONS

FEATURE	BESPOKE DETAILS
Arcane Works Bespoke Door Scuff Plates in Polished Metal	Our polished aluminium door scuff plates are customisable to you; either by applying a unique phrase or design, ensuring that this vehicle is built by you, for you. Your design is acid-etched onto the aluminium to ensure it will remain there for years to come. The furthest right section of the scuff plate is customisable. See Goodwood 2024 example on the right.

Interested in owning the exclusive INEOS Grenadier Detour?

Here's how you can take the next step.

To express your interest and secure your place on the limited production list, visit our website at **ineosgrenadier.com** or visit your local retailer.

Written and visual depictions (including photographs, CGI and colours) of the vehicle within this brochure may vary from production models and are subject to change without notice. INEOS reserves the right to make updates to the product offering including specifications, options and accessories. As such, the quoted prices and specifications in the (Price List/Brochure/Website/Configurator) are indicative and may not reflect current offering and availability. Pricing and details provided do not constitute an offer for the sale of any particular vehicle at any particular price or specification. Optional features, accessories and their availability may differ by vehicle (bodystyle and powertrain) and country or require the installation of other features in order to be fitted. Note that some standard features may be replaced when specifying a vehicle or selecting trim levels. Please contact your local Retail Partner for more details. Warranty periods offered by INEOS on certain features may be limited and differ in duration. Please refer to the INEOS Automotive Manufacturers Warranty Terms and Conditions for details of variations and exceptions. All models have been tested in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP) and as such all mpg and CO2 figures quoted are full WLTP figures. Figures are shown as a range under WLTP testing measures. WLTP figures may be adjusted according to the final specification of your vehicle. The CO2 emission (Diesel – 276-340 g/km, Petrol – 325-370 g/km) and fuel consumption (Diesel – 21.7-26.9 mpg, Petrol – 17.3-19.6 mpg) figures quoted by INEOS are Combined Cycle estimates. Where a range is quoted, the low figure is from a base vehicle, high from fully optioned vehicle with off-road tyres. Passenger (M1) vehicles are tested with 15% of payload. Commercial (N1) vehicles are tested with 28% of payload (Bodystyle and powertrain availability may vary by market). These figures may not reflect real world driving conditions, which will depend upon a number of factors including variations in weather, driving styles, vehicle load and accessories fitted (post-registration). Final CO2 emissions figures and resulting associated pricing will be confirmed by INEOS Automotive or your selected Retail Partner prior to order confirmation. Tests will be performed in accordance with legislation in force at the time of type approval. Additional options offered for the vehicle may affect performance, emissions, exterior dimensions and off-/on-road geometry. Loading equipment on the roof may change the vehicle's handling characteristics and users should not load the vehicle, any options or accessories (or any part of them) beyond their intended capacities. Off-road driving and use of related equipment (including options and accessories) requires advanced training and experience. Improper use of the vehicle or other equipment may be unsafe and could result in property damage and/or injury to users and/or other parties. It is the user's responsibility to check the vehicle, equipment, route and conditions ahead before proceeding. Consult the Owner's Manual, applicable accessories manual/instructions or your closest Retail Partner for more detail. The Utility Belt option has restricted usage on-road, dependant on local laws. Only use in-car features when safe to do so. Driving while distracted can result in loss of vehicle control, damage to property, injury or death. Always obey local laws and speed limits. Prototype vehicle images included throughout. Some features may not be representative of final vehicle specifications.
